Contains sulphites

Alcohol content
14%

Character

This elegant, fruity wine shows pronounced aromas of ripe black berries, cherry and a hint of pepper notes. On the palate, it is fresh and smooth, well structured and wonderfully balanced. It stands out with its lively tannins and a pleasantly lingering finish.

Wine type

Sweeter wines

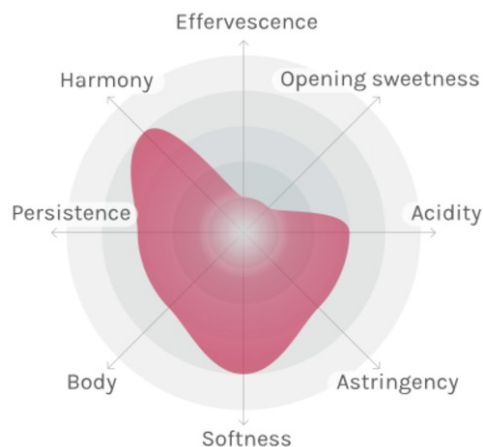

Balanced wines

Producer

Siddùra

The discovery of an abandoned ancient vineyard in the breathtaking landscape of Gallura inspired the winemakers of Siddùra to a new challenge and helped to realize an old dream. The Siddùra winery describes itself as a declaration of love for Sardinia, a tribute to the purity, simplicity and tradition of the island. A perfect combination of soil, terroir and weather in the midst of nature, close to the sea, produces the uniquely distinctive wines.
