Syrah

Serving temperature
16 - 18°C

Allergen notice
Contains sulphites

Alcohol content
14.50%

Wine type

Sweeter wines

Balanced wines

Full-bodied wines

Producer

E. Guigal

Philippe Guigal, a highly talented oenologist, runs the winery founded by his grandfather Etienne in Côtes du Rhône. Here everything is exceptional: the location on the steep slopes with their carved-in terraces and the barren soils through which the vines draw their water from a depth of up to 15 metres. The Guigals get the maximum from the vineyard and terroir, reflected in their top quality and small quantities. The ageing takes place in barriques from the in-house cooperage, and the great wines achieve top prices. No wonder that the Guigal Winery is one of Robert Parker's most awarded, with wines receiving 100 points.

Foodpairing

Grilled or fried lamb
