Contains sulphites

Alcohol content
13%

Character

A fruity, semi-sweet, well-balanced and long-lasting white wine, pale yellow with a slight crispness. On the nose, intense and complex fragrances of rose, peach, clove and vanilla. Its pleasing sweetness spreads around the palate; its structure is soft, amazingly harmonious and very full, and the finish appealingly long.

Balanced wines

Producer

Arthur Metz

The premium Cuvée Michel Léon series is a brand of the Arthur Metz winery, with which the famous Alsatian wine family has set a monument. The wine establishment with a tradition reaching back to 1904 is known for its characteristic Alsatian wines. Quality is its utmost priority. For this reason, the House of Arthur Metz chooses the best terroirs in the Alsatian wine region. The Cuvée-Michel-Léon wines are of outstanding quality, aromatic finesse and a complex, unmistakable character.
