11%

Character

In the glass, this Prosecco has an intense sparkle, while a bouquet of fresh citrus and apple aromas greets the nose. Full fruit indulge the palate, together with a slight initial sweetness and an appealing freshness and softness. The aromatic structure is multilayered and well balanced.

Wine type

Light wines

Fresh wines

Sweeter wines

Producer

Il Sestiere

The northern Italian region of Veneto, where the grapes for Il Sestiere ripen, is one of only eight provinces whose sparkling wines may bear the name Prosecco - but only under the condition that the vines are planted and the grapes processed there. With great care, dedicated winegrowers accompany the grapes for Il Sestiere throughout their development, finally putting all their heart into crafting an extraordinarily stylish product.
