Character

This fruity, full-bodied wine is auspicious black-red. Aromatically, the nose is dominated by spicy notes of vanilla and licorice, accompanied by notes of ripe black berries and cherries. The fruit aromas are intensely noticeable on the palate; the wine is fresh, soft and round, with supple tannins and a harmonious structure.

Producer

Locos por el Vino

When top-class winegrowers join forces, the results are impressive. Like the wonderful wines of Locos Por El Vino (?crazy about wine?), whose vines grow in young, new vineyards at the very best sites and are refined by their makers to great a fruity yet complex taste that is both modern and elegant. Locos Por El Vino is another project by two producers of the very finest Alto Moncayo wines - Chris Ringland and José Miguel San Martín.

Foodpairing

Grilled or fried lamb
