Country of origin
Italy

Grapes
Corvina, Corvinone, Rondinella, Croatina, Oseleta

Serving temperature
16 - 18°C

Allergen notice
Contains sulphites

Alcohol content
16%

Character

A typical Amarone - mellow, rich, aromatic and harmonious. Dark red in the glass, it enchants both nose and palate with intense aromatics of dried fruit alongside cassis and blueberry. Its soft tannins and wonderful balance of aromas and structure make it an enduring delight.
