Character

A ruby red wine with a robust, full-bodied character. On the palate, it is dense and velvety, well balanced and complex, with flavors of dark cherries, raspberries and blackberries. Thanks to its aging in oak barrels, vanilla and spice flavors are added to the present but subtle tannins. The enjoyment is rounded off by a long, elegant finish.

Producer

Siddùra

The discovery of an abandoned ancient vineyard in the breathtaking landscape of Gallura inspired the winemakers of Siddùra to a new challenge and helped to realize an old dream. The Siddùra winery describes itself as a declaration of love for Sardinia, a tribute to the purity, simplicity and tradition of the island. A perfect combination of soil, terroir and weather in the midst of nature, close to the sea, produces the uniquely distinctive wines.
