

VinTonic

VinTonic Rosé

Country of origin
Various

Allergen notice
Contains sulphites

Alcohol content
5.5%

Character

Pure summer feeling in glass: fine flavours of citrus and berries with a spicy note, a subtle crispness and a soft mellow body come together in perfect harmony and taste wonderful on ice cubes with a slice of lemon and fresh berries.

Wine type

Sweeter wines

Fresh wines

Producer

Vintonic

When the best wine and tonic meet, the result is an incomparable taste experience: VinTonic is fruity, spicy, with a fine bitter note on the palate and subtle carbonation. The two components, wine and tonic, blend perfectly to create an exceptional drinking experience. With an alcohol content of 5.7 % vol., VinTonic is pleasantly light and thus a pleasure for many occasions.
