Character

The first impression with this deep red wine is of a complex and powerful bouquet, with aromas of cassis, cocoa and chocolate, followed by spicy liquorice and vanilla notes. In the mouth it has a slight sweetness, with good balance and structure. Its intense flavours end with a long and soft finish.

Producer

Montes

The guardian angel stands in the form of a statue in every Montes wine cellar to bring luck. Since its establishment, it has been the companion of the top winemaker Aurelio Montes, an outstanding personality, and extends its protective hand over the wonderful wines. Because of this and thanks to his profound sense for new terroirs and top wines, Aurelio Montes has made it onto the international wine calendar. He has discovered Chile's potential and produces wines of the highest quality. Today the Montes winery includes vineyards in Apalta, Marchigüe and the cooler Zapallar area. It is of course family-owned and family-managed by Aurelio Montes with the support of his son Aurelio Montes junior.
