Contains sulphites

Alcohol content
14%

Character

A golden yellow in the glass, with intense aromas of apple, quince, orange and a hint of banana on the nose and wonderfully fresh citrus notes on the palate: this fruity wine is delightfully well balanced, with a soft but full body and a sustained finish.

Wine type

Sweeter wines

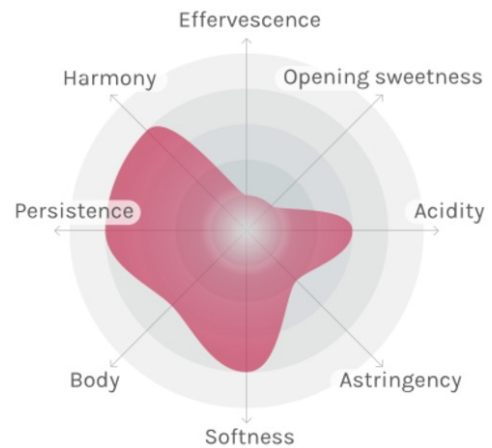

Lingering wines

Producer

Vite Colte

Tradition is written large at Vite Colte, but this does not prevent the wine producers from Piedmont from developing innovative concepts. The modern winery Vite Colte receives only grapes that are well suited for aging, with plenty of color and aromatic extract. Only DOC and DOCG wines of high quality are produced, starting from small yields per hectare and rigorous selection during the harvest.
