### Wine type

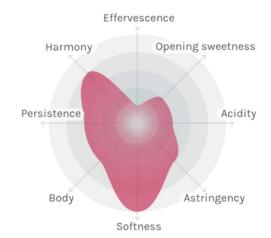

## Producer

#### Nativ

The young company Azienda Nativ in the South of Campania relies on autochthonous grape varieties, and combines tradition with state-of-the-art technology. The native wines flourish in unique vineyards of the mountain region on mineral-rich soils. Azienda Agricola Nativ presses from them a series of extremely high-quality wines, fully committed to the tradition of Italian wines.

### Foodpairing

Veal in a light sauce
