Our selected wines in PET bottles are a plus for you and your guests all along the line. They mean more safety and comfort, with breaking glass and splinters a thing of the past. The low weight of PET allows considerable savings in transport costs. The bottles are easily dispensed, quickly opened and easily disposed of; this simplifies your work processes considerably. And almost as a side effect you can also expand your selection of drinks. Evidently, there is a lot to be said in favour of PET.
