Character

A fruity, rich ruby-red wine with dominant intense aromas of red and black fruit, it has a slight initial sweetness and is medium-bodied, with mellow tannins, great intensity of flavour and a long finish. The vanilla notes are due to ageing in French oak. It can be enjoyed straight away or laid down for up to six years.

Producer

Montes

The guardian angel stands in the form of a statue in every Montes wine cellar to bring luck. Since its establishment, it has been the companion of the top winemaker Aurelio Montes, an outstanding personality, and extends its protective hand over the wonderful wines. Because of this and thanks to his profound sense for new terroirs and top wines, Aurelio Montes has made it onto the international wine calendar. He has discovered Chile's potential and produces wines of the highest quality. Today the Montes winery includes vineyards in Apalta, Marchigüe and the cooler Zapallar area. It is of course family-owned and family-managed by Aurelio Montes with the support of his son Aurelio Montes junior.
