A deep yellow colouring, notes of caramel and the flowery aromas typical of Chardonnay, with a hint of dried fruit and exotic fruits, all borne on an incredibly soft and full-bodied structure and followed by a long finish - all of this makes this rich white wine an unforgettable pleasure.

Bodegas Volver

During a time when the world only thought of Rioja wines in terms of a Spanish wine phenomenon, the visionaries Jorge Ordoñez and Rafael Cañizares looked into cultivating old, abandoned vineyards in previously unknown cultivation areas, in order to revive local grape varieties and to reposition Spanish quality wines in 2004. Traditional viticulture is the quality seal of Bodegas Volver S.L. The establishment currently produces its wines from the grapes of 30 to 90 year old vineyards within the protected cultivation areas of DO Jumilla, DO Castilla la Mancha and DO Alicante.
