Alcohol content
14.9%

Character

Ripe dark berries, slightly smoky aromas, cocoa and chocolate notes and a hint of exotic fruit and vanilla are the distinguishing features of this rich garnet-red wine. In the mouth, it has a wonderful freshness, silky tannins and a very soft, full body, rounded off by an incredibly long finish.

Wine type

Sweeter wines

Lingering wines

Full-bodied wines

Producer

Montes

The guardian angel stands in the form of a statue in every Montes wine cellar to bring luck. Since its establishment, it has been the companion of the top winemaker Aurelio Montes, an outstanding personality, and extends its protective hand over the wonderful wines. Because of this and thanks to his profound sense for new terroirs and top wines, Aurelio Montes has made it onto the international wine calendar. He has discovered Chile's potential and produces wines of the highest quality. Today the Montes winery includes vineyards in Apalta, Marchigüe and the cooler Zapallar area. It is of course family-owned and family-managed by Aurelio Montes with the support of his son Aurelio Montes junior.
