Monastrell

Serving temperature
16 - 18°C

Allergen notice
Contains sulphites

Alcohol content
13.00%

Character

An incredibly harmonious, rich, ruby-red wine with powerful aromas of dark berries and spicy notes of vanilla, pepper and subtle leathery dimensions. On the palate a fine crispness and initial sweetness are apparent, together with soft tannins and a lively freshness. The wine has a mellow, full and round body, with a finish that goes on and on.

Wine type

Sweeter wines

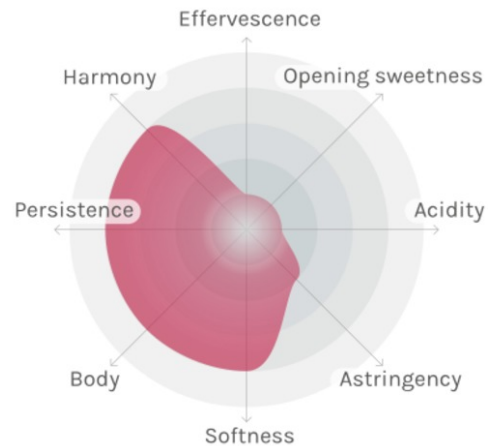

Full-bodied wines

Producer

Lazarra

In terms of emotion, temperament and taste, Spanish wines are virtually unbeatable. Our Lazarra range reflects this with a white wine made from the fresh Sauvignon Blanc grape, as well as a rosé and a red wine made from the high-quality Monastrell grape. Not only do these fruits enjoy a perfect climate with a limited amount of water and lots of sunshine, they also benefit from the country's longstanding wine-growing tradition.

Foodpairing

Red meat in a light sauce, grilled or fried beef and pork, and pork in a dark sauce
