Character

A balanced, fruity, ruby-red wine with an amazingly harmonious, full and soft structure that provides wonderful support for aromas of ripe wild berries and spicy vanilla notes. Aromatic and slightly sweet on the palate, with soft tannins and a pleasingly persistent finish.

Producer

Alain Brumont

In Madiran in the South-West of France, the unconventional winegrower Alain Brumont is cultivating the ancient, small-berry, indigenous vine type called Tannat. Due to its high tannin content the vine type is rather astringent. Brumont has managed to tame it on the best parcels of the terroir, in Montus with its stony, steep south-facing slopes, in the Boucassé plateaus with ironstone and manganese soils and in Gascony with its limestone subsoil. With great care he processes them in new barriques so as to transform them into presentable, discrete and very long-lived wines with a strong fruity taste.
