16 - 18°C

Allergen notice  
Contains sulphites

Alcohol content  
14.5%

## Character

An intense bouquet of blackberry and cassis, together with chocolate, coffee and a hint of smoke, meets the nose from this fruity and well balanced garnet-red wine. The palate is enchanted by a wonderful freshness, lively tannins and the fruity aromatics, here complemented by spicy dimensions of pepper, vanilla and cinnamon. The fruit flavours are supported on an incredibly soft, full and most harmonious body with a long and sustained finish.

## Wine type

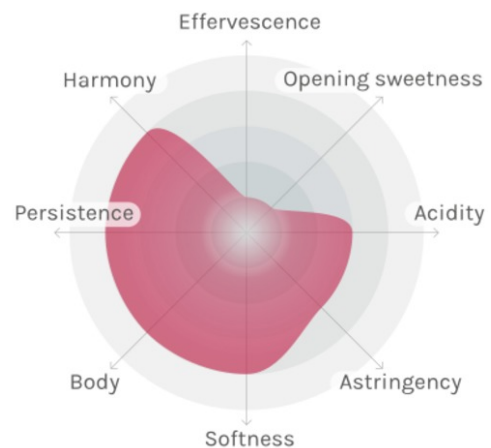

Sweeter wines

Lingering wines

Balanced wines

## Foodpairing
