Country of origin  
Italy

Grapes  
Carignano

Serving temperature  
16 - 18°C

Allergen notice  
Contains sulphites

Alcohol content  
15%

## Character

In the glass, this harmonious single-variety wine has a ruby-red gleam. On the nose there unfold spicy berry notes with aspects of plum and cherry. On the palate it is aromatic, intense and spicy with abundant tannins, an elegant body and a long, mellow finish.

## Wine type

Sweeter wines

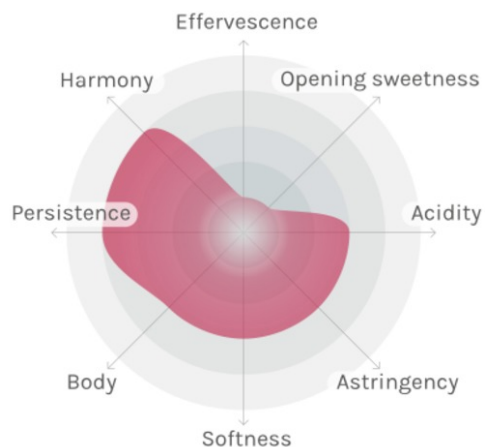

Balanced wines

## Producer

### Siddùra

The discovery of an abandoned ancient vineyard in the breathtaking landscape of Gallura inspired the winemakers of Siddùra to a new challenge and helped to realize an old dream. The Siddùra winery describes itself as a declaration of love for Sardinia, a tribute to the purity, simplicity and tradition of the island. A perfect combination of soil, terroir and weather in the midst of nature, close to the sea, produces the uniquely distinctive wines.

## Foodpairing
