Alcohol content
14%

Character

On first encounter with this well-balanced brick-red wine, it is powerful coffee, cocoa and chocolate fragrances that greet the nose. These are followed by dried fruit, cassis and smoky notes. On the palate, the aromas are enhanced by spicy dimensions of pepper and clove. Here, the wine is fresh, with juicy tannins, a soft, full-bodied and harmonious body and a long and sustained finish.

Wine type

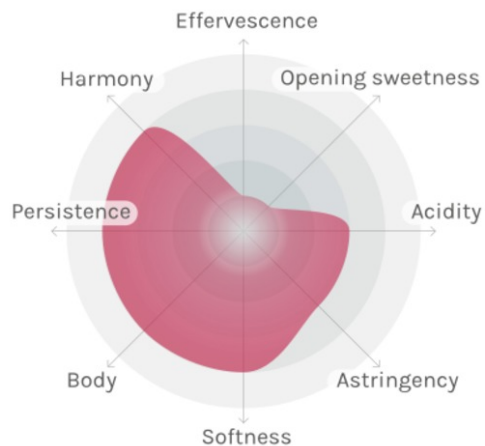

Balanced wines

Lingering wines

Producer
Fine Bordeaux
