15%

Character

A blend of varieties makes up this glowing garnet-red wine with its complex bouquet of ripe dark berries and intense notes of liquorice and chocolate. In the mouth it exhibits an appealing freshness and lively tannins, while its very soft and full body is a delight. A well-balanced and lingering pleasure.

Wine type

Balanced wines

Lingering wines

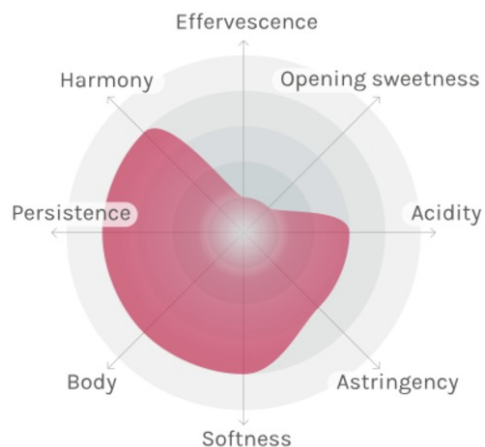

Full-bodied wines

Producer

Siddùra

The discovery of an abandoned ancient vineyard in the breathtaking landscape of Gallura inspired the winemakers of Siddùra to a new challenge and helped to realize an old dream. The Siddùra winery describes itself as a declaration of love for Sardinia, a tribute to the purity, simplicity and tradition of the island. A perfect combination of soil, terroir and weather in the midst of nature, close to the sea, produces the uniquely distinctive wines.
