Character

This white wine, with its gleaming pale yellow colour, is fresh, fruity, mellow and harmonious. Its bouquet has the fragrance of spice bushes and some citrus, alongside mineral notes. On the palate it is slightly sweet on approach and has intense grapefruit aromas together with the previously mentioned minerality. The acidity is noticeable, giving the wine its freshness, but is well integrated, and the wine tastes very balanced and appealing.

Our selected wines in PET bottles are a plus for you and your guests all along the line. They mean more safety and comfort, with breaking glass and splinters a thing of the past. The low weight of PET allows considerable savings in transport costs. The bottles are easily dispensed, quickly opened and easily disposed of; this simplifies your work processes considerably. And almost as a side effect you can also expand your selection of drinks. Evidently, there is a lot to be said in favour of PET.
