Serving temperature
9 - 12°C

Allergen notice
Contains sulphites

Alcohol content
13%

Wine type

Balanced wines

Full-bodied wines

Lingering wines

Producer

Pousio

A small, high-quality and technically cutting-edge winery in Vidigueira at the heart of the Alentejo region offers supple, balanced wines made mainly from indigenous grape varieties. Stony, barren granite and slate soils make for extremely concentrated vines. In a dry, frost-free climate with Atlantic influence, hot days and cool nights create the basis for wines with harmonious flavours, merging power and elegance, fruit and flavour. The hard work, patience and love that each member of the team puts into all phases of production can be felt in all the products.
