14.5%

### Character

First to greet the nose with this rich garnet-red wine are roasted aromas of coffee, smoke and chocolate, followed by notes of ripe dark berries, a touch of prune and some spicy dimensions. On the palate the wine is spicy and fresh with juicy tannins, a very soft, full and harmonious body and a long and sustained finish.

### Wine type

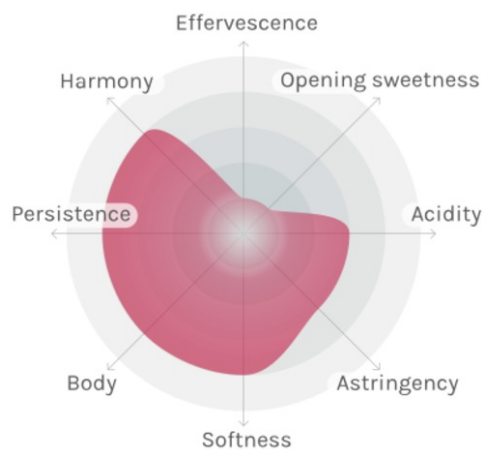

Sweeter wines

Lingering wines

Full-bodied wines

### Foodpairing
