Grenache Syrah Côtes Catalanes IGP

Country of origin
France

Grapes
Syrah, Grenache

Serving temperature
16 - 18°C

Allergen notice
Contains sulphites

Alcohol content
15%

Character

A full and exuberant, intensely garnet-red wine with a powerful and complex bouquet of roasted aromas, raisins, milk chocolate, ripe blackberries and prunes. On the palate it shows evidence of a slight initial sweetness and, once again, the opulent roasted and fruit aromatics, complemented by notes of ripe strawberries and pepper. The flavours are supported by a harmonious, weighty, well-balanced structure and rounded off by an impressively long and enduring finish.

Wine type

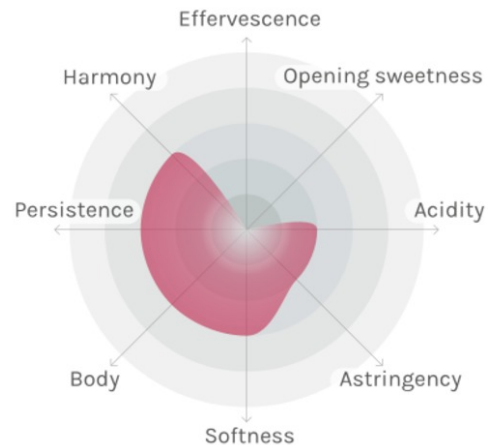

Lingering wines

Producer

Saint Genis des Tanyères

Protected by the foothills of Canigou, the easternmost Pyrenean peak, vines grow for Saint Genis des Tanyères. Due to alluvial deposits, the gravel is ample and permeates the earth layer's surface area. For this reason, the roots must delve deep into the earth, giving rise to robust vines and healthy grapes as a result.

Foodpairing

Beef dishes with sauce
