Divico, Cabernet Jura

Serving temperature
16 - 18°C

Allergen notice
Contains sulphites

Alcohol content
12%

Character

A dense, deep red wine from which aromas of rose, cherry, plum and blackberry rise into the nose. This aromatic profile is repeated in the mouth, where it is joined by slight vegetal notes. With a light freshness, elegant tannins and a soft, round and harmonious body, the enjoyment is complete.

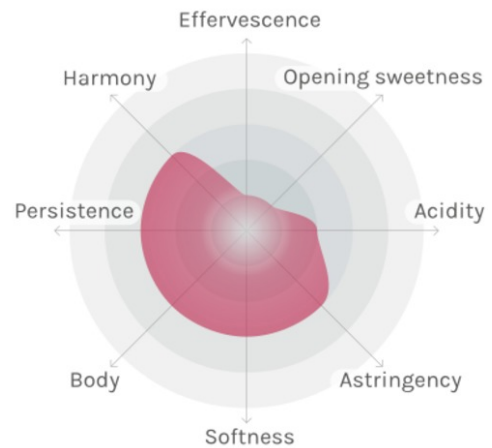

Wine type

Sweeter wines

Full-bodied wines

Foodpairing
