Producer

Kaiken

The name Kaiken dates back to the Patagonian wild goose, which was called Kaiken by the native American Mapuche tribe. As dynamic, wild and free as their name-giver, the exclusive wines of the Mendoza-based establishment are by nature imbued with an honest character, a big personality, elegance and expression. Aurelio Montes, a pioneer of carefully prepared wines in Argentina, received a series of prestigious awards for his wines as well as his lifetime achievement. Together with his son Aurelio junior, he presses top quality wines from vines more than 100 years old: Kaiken has been receiving highest ratings since the very first vintage.
