

# Montes, 2022

Alpha Carmenère DO

Country of origin  
Chile

Grapes  
Carmenère, Cabernet Sauvignon

Serving temperature  
16 - 18°C

Allergen notice  
Contains sulphites

Alcohol content  
14.5%

## Character

Ruby red; intense aromas of blackberries and blueberries, followed by plums, dried figs, mocha and a hint of black pepper. It has structured, balanced and well-rounded tannins that ensure a long and pleasing finish. It can be enjoyed straight away or laid down for up to ten years.

## Wine type

Balanced wines

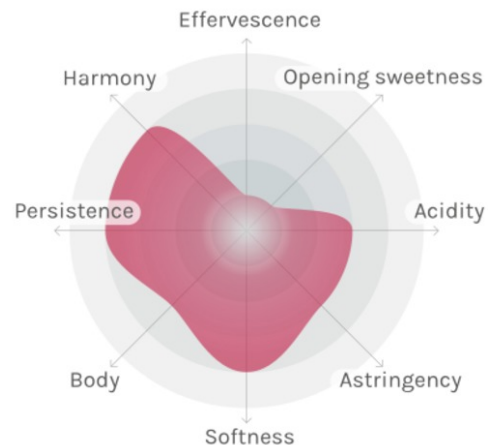

Lingering wines

## Producer

### Montes

The guardian angel stands in the form of a statue in every Montes wine cellar to bring luck. Since its establishment, it has been the companion of the top winemaker Aurelio Montes, an outstanding personality, and extends its protective hand over the wonderful wines. Because of this and thanks to his profound sense for new terroirs and top wines, Aurelio Montes has made it onto the international wine calendar. He has discovered Chile's potential and produces wines of the highest quality. Today the Montes winery includes vineyards in Apalta, Marchigüe and the cooler Zapallar area. It is of course family-owned and family-managed by Aurelio Montes with the support of his son Aurelio Montes junior.

## Foodpairing

Grilled or fried beef
