## Character

A rich, long-lasting and spicy wine, dark red with a hint of purple reflections. It has an intense, multilayered bouquet of prunes, some vegetal notes and vanilla spice, and an aroma of blackberries. On the palate it is deliciously fresh and wonderfully aromatic, with soft tannins and a full-bodied and harmonious structure.

## Producer

### Diemersfontein

Vines have been growing on Diemersfontein since the early 1970s. However, quality wines have only been produced since 2001, the time when the current owner David Sonnenberg set up a winery. Diemersfontein wines immediately received international recognition and praise, and the first vintage won the Paul Sauer Trophy for the best wood-ripened Pinotage at the South African Young Wine Show. Today, Diemersfontein wines are present worldwide and regularly receive high ratings at wine competitions and in trade journals. The wine estate itself is also an inn for those who need a holiday.
