16 - 18°C

Allergen notice

Contains sulphites

Alcohol content

14,5%

Character

In the glass, this rich wine has a deep red-black gleam. On the nose are fragrances of prune, dried fig and ripe dark berries, with just a hint of sour cherry. On the palate it is aromatic, and here the fruity notes are joined by aromas of toast, coffee, chocolate and liquorice. A pleasing initial sweetness, lively tannins, a body that is full and soft, and a long finish characterise this exceptionally harmonious wine.

Wine type

Sweeter wines

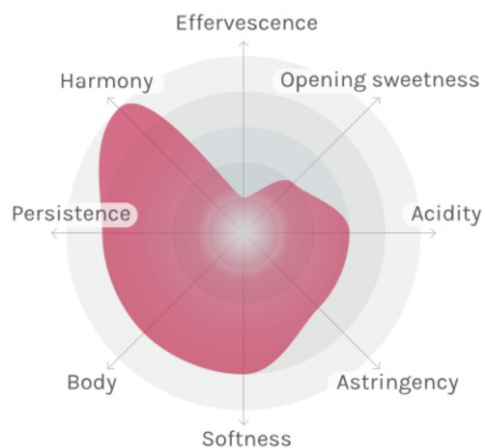

Lingering wines

Full-bodied wines
