## Producer

### Erich Sattler

The Sattler Winery is located in the Burgenland municipality of Tadten. Already as a little boy Erich Sattler played in the vineyards and was confronted with nature's frank honesty at an early age. This left a mark on him. After attending the University of Natural Resources and Life Sciences in Vienna and extensively learning the theory, he dedicated himself to the practice. He has been successfully running the Sattler winery since 2000 in accordance with his personal conviction: Erich Sattler manufactures wines the way he loves and drinks them himself.
