

Montes, 2023

Alpha Chardonnay DO

Grapes
Chardonnay

Serving temperature
9 - 12°C

Allergen notice
Contains sulphites

Alcohol content
14%

Character

A balanced rich, golden wine with aromas of ripe exotic fruit such as mango and melon, with additional notes of honey and pepper. The ten months spent in French oak barrels provide the wine with its roasted vanilla notes. Pleasingly fresh on the palate, unbelievably mellow, full-bodied and harmonious, with pronounced aromatics. A lengthy finish prolongs the enjoyment.

Wine type

Producer

Montes

The guardian angel stands in the form of a statue in every Montes wine cellar to bring luck. Since its establishment, it has been the companion of the top winemaker Aurelio Montes, an outstanding personality, and extends its protective hand over the wonderful wines. Because of this and thanks to his profound sense for new terroirs and top wines, Aurelio Montes has made it onto the international wine calendar. He has discovered Chile's potential and produces wines of the highest quality. Today the Montes winery includes vineyards in Apalta, Marchigüe and the cooler Zapallar area. It is of course family-owned and family-managed by Aurelio Montes with the support of his son Aurelio Montes junior.
