Contains sulphites

Alcohol content
14.50%

Character

Powerful aromas of blackcurrant and blackberry, with a touch of gooseberry and spicy notes of vanilla and pepper, characterise this rich, enduring garnet-red wine. In the mouth, it is fresh with lively tannins and a soft round body, together with a wonderfully sustained finish.

Wine type

Full-bodied wines

Lingering wines

Sweeter wines

Producer

Montes

The guardian angel stands in the form of a statue in every Montes wine cellar to bring luck. Since its establishment, it has been the companion of the top winemaker Aurelio Montes, an outstanding personality, and extends its protective hand over the wonderful wines. Because of this and thanks to his profound sense for new terroirs and top wines, Aurelio Montes has made it onto the international wine calendar. He has discovered Chile's potential and produces wines of the highest quality. Today the Montes winery includes vineyards in Apalta, Marchigüe and the cooler Zapallar area. It is of course family-owned and family-managed by Aurelio Montes with the support of his son Aurelio Montes junior.
