Character

Marked fragrances of cassis, blackberry and strawberry jam, together with some damson notes, greet the nose from this fresh, fruity, garnet-red wine. Beyond these, the palate is caressed with dimensions of chocolate, vanilla and liquorice, a terrific freshness and a soft, full and harmonious body, rounded off with an enduring finish.

Producer

Bodegas Volver

During a time when the world only thought of Rioja wines in terms of a Spanish wine phenomenon, the visionaries Jorge Ordoñez and Rafael Cañizares looked into cultivating old, abandoned vineyards in previously unknown cultivation areas, in order to revive local grape varieties and to reposition Spanish quality wines in 2004. Traditional viticulture is the quality seal of Bodegas Volver S.L. The establishment currently produces its wines from the grapes of 30 to 90 year old vineyards within the protected cultivation areas of DO Jumilla, DO Castilla la Mancha and DO Alicante.
